

Invitation to Apply

- ✓ Are you searching for a school district that is forward-thinking and on the cutting edge of student innovation?
- ✓ Are you interested in joining the faculty of the first comprehensive Career Academy in the Northeast?
- ✓ Are you looking to join a team of educators who are equally dedicated to preparing students for both college and career readiness?
- ✓ Are you hoping to work in a growing and diverse learning community where student loan forgiveness, discounted tuition rates, and mortgage assistance programs are all available?

If you answered yes to any of these questions, Danbury High School may be the place for you! We are the largest and fastest growing school in the state and proudly boast a diverse community of learners in a unique urban/suburban setting on the New York border. We are transitioning to the Academies of Danbury High School, which will be the first wall-to-wall career academy in the Northeast region of the United States, scheduled to open across two campuses in the Fall of 2025. For more information about this exciting endeavor and to see how your unique life and classroom skills may apply, please click [here](#).

Due to our growing enrollment, we are searching for certified faculty in all areas and support staff to join our team for the 2025-2026 school year.

Check out this brief [video](#) for more information or visit our [district website](#).
