

## **MSD of Lawrence Township**

### **Student Support Specialist**

#### **Job Description – Classified Position**

#### **Position Overview:**

The Student Support Specialist is to serve the needs of the school as directed by the principal through effective instructional practice and positive behavior support. The goal of every school is to increase student achievement, so the Student Support Specialist will be providing services to achieve that goal for all students. The Student Support Specialist should be prepared to effectively deliver services and increase student outcomes through interactions with students, teachers, staff, families, and administration. The Student Support Specialist will need to be flexible with their daily schedule, able to meet the expectations associated with an active job, and be able to work collaboratively to achieve goals.

This Classified Role will be:

- 7 hours a day /.5 for lunch = 7.5 hours (exact hours to be determined by the principal but to be aligned with the student day)
- 180 days a school year
- Benefits eligible
