New Ulm Public Schools is a regional center of educational excellence. Our vision is to prepare our students to be successful in a 21st Century World. Our schools and staff provide challenging and engaging academic programs for all students. Student success in academics, fine arts and athletics are reasons students and families come to New Ulm.

We are redefining education in New Ulm. Plans are underway to build a new 9-12 high school, remodel existing buildings and adjust our program offerings to meet student and community needs. A new early learning center and community center, a 1-4 elementary and a 5-8 middle school will be the outcomes of the remodeling projects.

The school district shall require that applicants for school district positions, who receive an offer of employment, submit to a criminal history background check.

The employer reserves the right to make assignments of employees to particular buildings.

Preparing all of our students to be successful in a 21st Century World
