

Spring Lake High School Business Education Teacher, 1.0 FTE

Start Date: 2025-26 School Year

About Spring Lake High School:

Spring Lake HS is a dynamic and innovative high school committed to providing students with a well-rounded education that prepares them for success in college and careers. Our philosophy is “Big enough to challenge, small enough to care.” We are seeking a passionate and dedicated Business Education Teacher to join our team and inspire the next generation of business leaders.

Position Summary:

We are seeking a highly qualified and enthusiastic Business Education Teacher to teach a variety of business courses, including Marketing, Management, Entrepreneurship, and Business Computer Applications. The ideal candidate will have a strong understanding of business principles and practices, as well as the ability to engage and motivate students.

Responsibilities:

- Develop and deliver engaging and effective lesson plans aligned with state standards and curriculum requirements.
- Teach a variety of business courses, including Marketing, Management, Entrepreneurship, and Business Computer Applications.
- Create a positive and inclusive learning environment that fosters student growth and success.
- Utilize technology effectively to enhance instruction and engage students.
- Assess student progress and provide timely feedback to students and parents.
- Collaborate with colleagues to develop and implement school-wide initiatives.
- Maintain accurate records of student attendance and grades.
- Participate in professional development opportunities to enhance teaching skills and knowledge.

Qualifications:

- Bachelor's degree in Business Education, Business Administration, or a related field
- Career Technical Education (CTE) CIP Code 52.0299, Business, Management & Administration Cluster preferred but not required
- Valid Michigan teaching certification in Business Education
- Strong knowledge of business principles and practices
- Excellent communication and interpersonal skills
- Ability to work effectively with students, parents, and colleagues
- Proficiency in using technology for instruction and assessment
